

Immunization Providers

You can get immunizations at the following offices. Call the numbers listed to check for office hours, fees and the need if any for appointments. Make sure to take a current copy of your child's immunization record and any letter from the school listing needed immunizations. You can find a copy of the required immunizations for school attendance on this web site. They are listed in English and Spanish. If you have additional questions, contact your school nurse by phone or email.
