March 18, 2020

Dear Trojan Family,

We have been meeting daily with the Texas Education Agency and other state and local government and health officials to keep up with the most current information concerning the novel coronavirus COVID-19. With the situation changing so rapidly, we want to make sure any decisions made are based on what is best for our kids, school personnel, and our community.

With this foremost in our minds, we have decided that at this time it is in the best interest of our COCISD family to close school through Friday, April 3rd. Classes will resume on Monday, April 6th. If anything changes, we will notify you through a district-wide callout and email. Updates will also be posted immediately on the district website at www.cocisd.org, and through social media.

To help families at this time, our Child Nutrition team will begin a free curbside Grab-and-Go meal program tomorrow, March 19th, at Coldspring Intermediate School from 10:45 a.m. to 1:45 p.m. Monday through Friday. This program is for all children aged 18 and under. Meals will include lunch and a next-day breakfast. All children must be present to receive meals.

Plans for off-site meal pick-up locations are being made, as well as for academic packets for students. These provisions will be finalized and posted by the end of this week. Academic packets will also be posted on the district website at www.cocisd.org, and they will be available to pick up at Coldspring Intermediate during the curbside Grab-and-Go meal program beginning Monday, March 23rd.

We will continue to meet with state and local officials for the latest updates on the situation, and will keep you updated as more information becomes available.

Thank you for your partnership and support during this time. We appreciate you!

Sincerely,

Leland R. Moore, Ed.D.

Superintendent
