April 15, 2020

COCISD Faculty and Staff,

Coldspring-Oakhurst CISD has been notified that a staff member who works in the district during the current closure has had direct exposure to an individual who recently tested positive for COVID-19. The staff member is currently self-quarantining at home, is not displaying any symptoms of the virus and has not tested positive for the virus at this time.

Based on the information that we have gathered, it has been determined that the end of the 14-day incubation period for the exposed staff member is Monday, April 20, 2020.

All district facilities are closed and COCISD operations are suspended until Monday, April 20, 2020.

Areas of exposure have been deeply sanitized and although schools and offices have been closed since March 23, 2020 and remain closed at this time, all COCISD employees are instructed to continue to follow CDC guidelines and recommendations and to practice social distancing.

Out of an abundance of caution, we advise you to monitor your health, follow the [CDC guidelines for people who have had close contact](#) and contact your primary care physician if you develop symptoms.

COCISD is continuing to monitor this situation and will provide additional information as needed.

Sincerely,

Leland Moore, EdD

COCISD Superintendent of Schools
